HIGH SCHOOL

FLYER

FRANKFORT, KENTUCKY

## A PRAYER

Bless thou, O Lord, the avenues

We tread from day to day.

Be ever mindful of our needs

And teach us how to pray.

Help us to make our avenues

Be always straight and fair

And lead to that eternal home

Where joy reigneth there.

Be thou our guide and teacher, too,

And lead us all aright

Until our paths on earth shall lead

To avenues of light.

# IN DEDICATION

Because he has been an integral part of the school, viewing us not merely as students—but from many viewpoints and perspectives.

Because he, besides giving of time and energy, has dedicated himself to instill in us the knowledge and faith necessary to combat reality and maintain those thoughts which are the only hope of mankind.

Because of this, we dedicate the 1963 Flyer to  
ROBERT ROACH.

# ALMA MATER

WORDS  
By E. Miller

MUSIC  
By D. Livingston

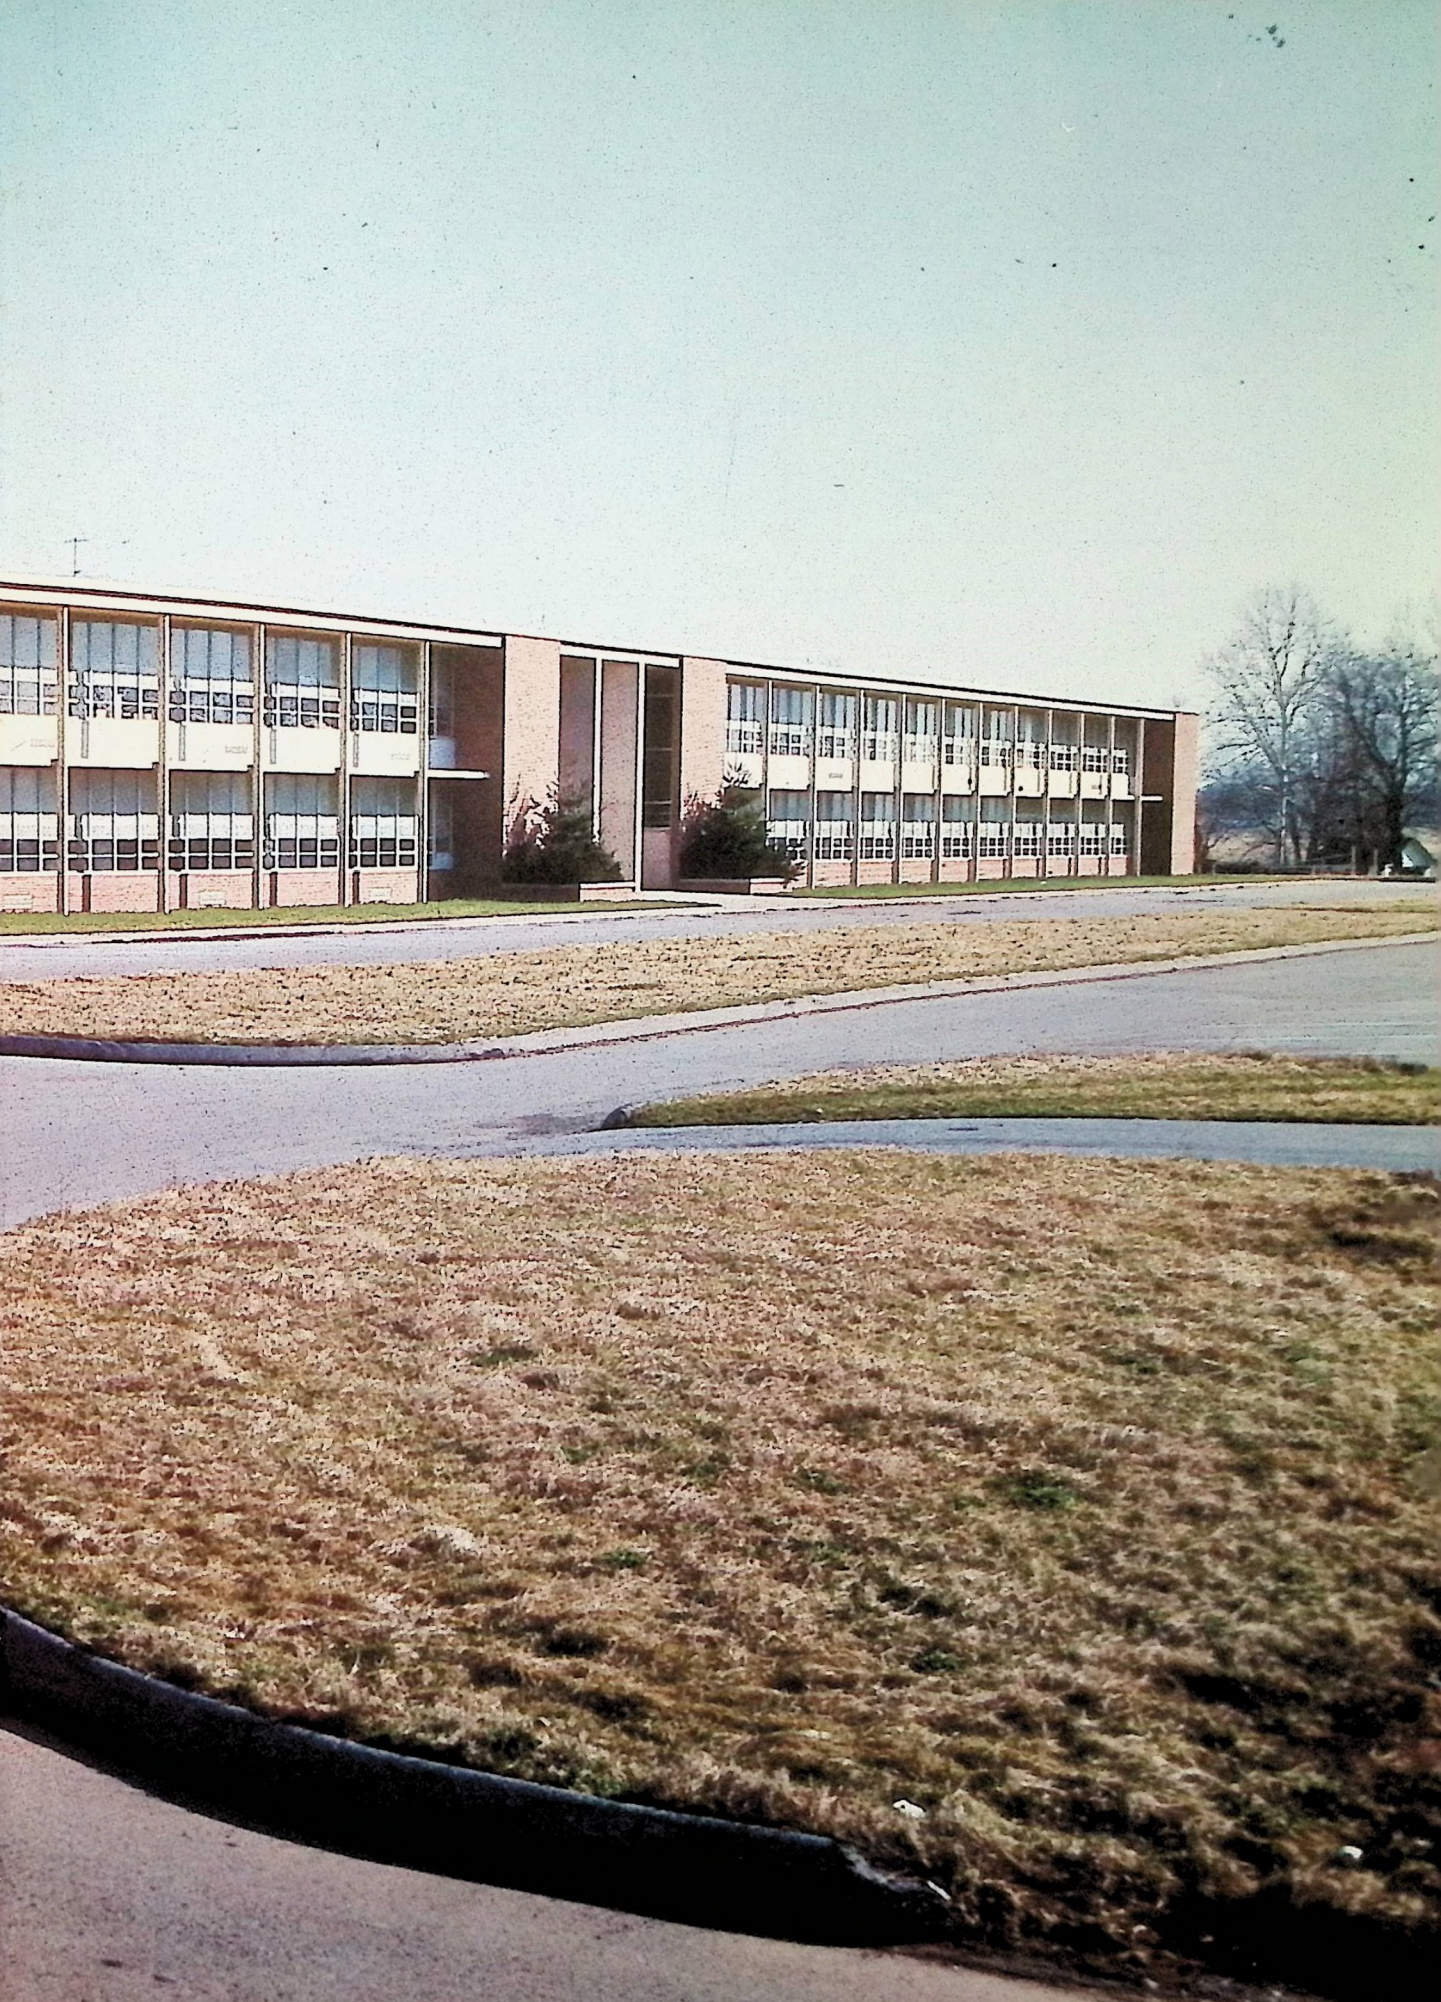

our al-ma ma ter here's to thee  
with thy green a-ve - nue of trees  
stand-ing a-gainst the eastern sky, to  
thrill each heart that passes by —  
in my memory you will be —  
ever present and near to me, through  
the years it shall be my constant plea, franklin  
county, stand by me.

The musical score is written on ten staves. The key signature has three flats (B-flat, E-flat, A-flat), and the time signature is common time (C). The melody is written in a single voice line. The lyrics are written below the notes. The score ends with a double bar line and a repeat sign.

## SUPERINTENDENT OF SCHOOLS

During Mr. Bondurant's years of service to the Franklin County School system, our school has grown and prospered under his leadership. Because of his knowledge of the needs and values of education, Franklin County High School will continue to set the standard of high school education in Kentucky.

MR. CHARLES BARRETT  
Supervisor of Instruction

MR. CHARLES TERRY  
Supervisor of Pupil Personnel

## THE BOARD OF EDUCATION

Left to right: Willard Gipson, H. T. Pewdew, Ray Ellis, Miles Harrod, and Roy Bondurant, Superintendent.

# PRINCIPAL

MR. RONALD CONNELLY

Everyone connected with Franklin County High School will feel the loss when Mr. Connelly receives his promotion at the end of the year. His leaving us will mean the end of three years of dedicated service. The principal of any school serves in many capacities, seldom being either appreciated or praised. Mr. Connelly has been the capable, amiable leader of our school.

# ASSISTANT PRINCIPAL

MR. E. C. MOORE

The job of Assistant Principal of a high school is one which requires integrity, diligence, and discipline. Mr. Elmer Moore certainly has all of these qualities and more. We are all acquainted with his discipline especially!

Whenever a problem arises, Mr. Moore is always ready with a solution. He has endeared himself to most students by being his kindly, efficient self.

One of the most important decisions a senior must make is his choice of a college. Danny Rodgers talks to Mrs. Switzer as to his choice of a college. Franklin County is fortunate in having such a complex program for helping students with their college guidance.

## GUIDANCE COUNSELORS

Discussing his schedule for his senior year with Mr. Underwood, his counselor, Roger Crittenden confirms the subjects that he will take.

# SECRETARIES

Doris Jones, Secretary to the Principal and Bookkeeper, and Louise Mitchell, Secretary to the Assistant Principal, perform many services for the school.

# LIBRARIANS

The library facilities are open to all students at any time during the school day. The librarians are willing to help any student if he will ask for assistance.

There are many excellent resources with over 6,000 books and 100 magazine subscriptions. The library has various encyclopedias that contain much needed information for the student. There is a continual flow of new books to satisfy the student's needs.

Mildred Gill, Librarian, and Georgeva Hughes, assistant to the Librarian, doing their daily chores.

# BUS DRIVERS

## KITCHEN STAFF

We would like to take this opportunity to thank the Cafeteria Staff for the excellent job during the year '62-63.

## CUSTODIANS

Above we have an unusual pose of the janitors—resting!

# COFFEE

In every adolescent there is a streak of curiosity in the study of science. Science is a field which probes into every phase of nature. It is a study which demands intellectual alertness and an understanding of basic principles. The three major sciences at FCHS deal with the world about us, its composition and why it behaves the way it does.

Business education is designed to prepare students for careers in business. When these students are ready to accept the responsibilities of a job, they find their business training at Franklin Co. Each Beta member takes pride in supporting these beliefs, and in this way hopes to improve himself as well as his school. Each pledges to apply himself toward the principles of honesty, justice, service, cooperation, responsibility, industriousness, humility, and charity.

Our program this year has been designed to bring the Beta Club and the school closer together, for we feel that pride in our club and pride in our school go hand in hand.

The ideas of the Beta Club can best be summed up by these following words from the Beta Creed:

Knowing that if I am  
tolerant in the appraisal of the ideas of others;  
generous in the use of my world assets;  
considerate of the rights of others;  
courteous in my actions toward all alike;  
gentle in my efforts to correct errors in others;  
kind in the exercise of my duties  
I shall then be better able to contribute to the  
happiness of myself and others.
